# WE ARE JAYA!

## ECO

We are certified by GOTS, a globally applied standard for eco-friendly and human-friendly farming and processing:
No chemical fertilizers, pesticides and genetic engeneering are being used for the certified fabrication.
For our prints, we use AZO-free waterbased colors that are GOTS-certified,
TENCEL™ is completing our sustainable fabrics in soft flowing styles as well as pants and leggings.
Our JAYA UNIQUE limited edition is made of EcoVero™ by LENZING™ and is hand-dyed with plant colors in Bali - a traditional Balinese handicraft.

## FAIR

We cooperate with a GOTS-certified company in Nepal:
women and men are working under fair conditions and are paid above avarage in Nepal.
In Bali our partner supports many social projects since the factory was founded, especially building up and supporting orphanages.
Through regular trips visiting our partners in Kathmandu and Bali we guarentee fair, healthy and happy manufacturing.

## SOCIAL

Worldwide: we regularly donate a part of our income to the charity organisation „Friendcircle Worldhelp" that carry out projects for people in need all around the world.
Nepal: we are financing one additional teacher for the 150 pupils. of the Shree Shanti Biddya Primary School in Nuwakot.
Ghana: since autumn 2018, Jaya is supporting the Ghana Soccer Angels, a charity-heart-project for young football talents in Ghana. Children from poor families are given a school education + professional training.

„ONE DAY IN CALIFORNIA" is our 17th collection.
Long beautiful beaches, skates parks right by the ocean, surfing with dolphins and pelicans, beach volleyball courts, morning breeze yoga, bike rides at Venice Beach Walk, magical sunsets and a bunch of funky people - this is what you can expect when you spend a day in California.
To create this collection we were inspired by the huge variety of colors, activities, nature and beautiful souls crossing our ways - check out our new lookbook and enjoy the Cali vibe.
